First Buck On First Day

James Fred Elder, Jr. (2nd from left) is 13 years old and brought down his first buck on the first day of hunting season Monday. Accompanying him were his grandfather, Dillard Reed (left) and Elmo Mann, employee of Montague Betts Steel Co. James brought down a gobbler during the spring season when he was only eleven. His buck is a 175 pounder with eight points on a nicely shaped horn rack. Does he like venison to eat? "I love it," he replied. He made his kill on his grandfather's land on Rt. 727 (Red House road).

Two Bucks At Hunt Club

Monday's opening of the hunting season brought good luck to two members of the Mt. Hope Hunt Club –Fred Hauser, Jr. of Lynchburg (left) and Larry Ferguson, 14, of Appomattox (right), each with a young buck, one brought down on private land and the other in the Buckingham-Appomattox State Forest. Reports of plentiful game and good hunting continue to come in to the news room of the TIMES-VIRGINIAN.

Slagle Bags 16-Pointer

Roger D. Slagle had just hopped out of his truck Tuesday morning when this big buck ran by. He plans to mount his trophy – with 16 points and a wide rack the buck is the largest he has ever taken. Slagel is employed by West Vaco-Caskie Woodyard in Gladstone. He is a member of the Clover Hill Hunt Club.

Two 8-Point Bucks

First day of hunting –Monday and two brothers, Teddy Garrett (left), GE employee and Bobby Garrett (right), B& W employee together with Curtis Elliott (center) went out to try their luck. Both brothers came home with an 8-point buck, almost identical in size, between 160-170 pounds. The deer were taken near Vera.

'The Virginians' Win Music Festival

The Country Music Festival was a great success with The Virginians of Lynchburg winning 1st place, The Southern Sweethearts of Richmond winning 2nd place; and The Piedmont Playboys of Appomattox winning 3rd place. There is no doubt but what this was the finest group of entertainers ever gathered at this Appomattox High School Auditorium as it was completely filled including approximately 200 standing with as many unable to get in. The competition and special attractions lasted for 3 hours and 40 minutes with Little Jody Rainwater of W S VS in Crewe, completely occupied keeping the lengthy show running smoothly.

Henry Fulcher of W F L O in Farmville, one of the three fine radio personalities acting as judges was overheard remarking that this was his thirteenth year for this event, either as judge or master of ceremonies and he had no intention of it being his last.

Scott Bryant of W B R G and Stan Jason of W L L L in Lynchburg, the other 2/3 of that very fine judging staff, were reported as being impressed with this spectacular Country Music Festival. They volunteered their services for any future country music festival and you can bet this offer will be remembered as these gentlemen are great individuals and authorities in the music field.

The Appomattox Jaycees would like to extend their apologies to those people unable to get into the auditorium for this musical presentation and especially those with tickets, most of whom [illegible] but it was [illegible] ever witnessed [illegible] they did not [illegible] Many people [illegible] for their part [illegible] including the [illegible] dio Station, [illegible] ties, the Museum [illegible] not least, to [illegible] They all [illegible] might have the [illegible] per Christmas.

Sabbath School Lesson No. 7 for November 14, 1970
Subject: The Mental Outlook
Key Text Scripture "Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your request be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phil. 4:6,7.

In Testimonies for the church, Vol. 3 p. 184, We read; "To deal with men and women whose minds are diseased is a nice work. Great wisdom is needed by the physicians at the Institute in order to cure the body through the mind. But few realize the power that the mind has over the body. A great deal of sickness which afflicts humanity has its origin in the mind and can only, be cured by restoring the mind to health."

"Man is a whole – a unit. The whole man must be cared for with far more interest and attention than some give. This is a health-consciousness that results in a healthy intelligent witness for Christ."

Lesson Outline –1. Effect of Mental Influence, Prov. 17:21. 2. Gaining Emotional Strength. Eph. 3:16,17. 3. Prayer and God's Promises. Eph. 6:10,18. 4. The Gospel Prescription. Rom 1:16. 5. True Mind Cure. Prov. 3:7,8. 6. God Our Healer. Ex. 15: 26.

Paul commanded the Ephesians to "be filled with the Spirit," Eph. 5:18. It is by the Holy Spirit that Christ dwells in us, "Hereby we know that He abideth in us, by the Spirit which He hath given us." 1 John 3:24. Christ is the "wellspring of life," –The Ministry of Healing, p. 247. We are to "pray all the time". Read Eph. 6:10, 18. God's promises are true and trustworthy and "not yea and nay," but yea. They are scattered "like pearls all through the Sacred Writings. Rom. 1:16 reads "For I am not ashamed of the gospel of Christ for it is the power of God unto salvation to everyone that believeth; to the Jew first and also the Greek,"

"Our Saviour's words, "Come unto Me, . . . and I will give you rest," (Matt. 11:28), are a prescription for the healing of physical, mental and spiritual ills." Prov. 3:5-7 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. Be not wise in thine own eyes; fear the Lord, and depart from evil. "Satan is ever seeking to impress and control the mind, and none of us are safe except as we have constant connection with God. We must momentarily receive supplies from heaven, and if we would be kept by the power of God we must be obedient to all His requirements." Testimonies. Vol. 4p. 542. The question is asked –Who alone can heal? In Ex. 15:26 the answer is given. "For I am the Lord that healeth thee."
